

OPTAVIA™

CONGRATULATIONS ON YOUR SUCCESS WITH OPTAVIA!!

You are doing great! It is a pleasure working with you. Our goal is to provide real value as we coach you through this program. We are committed to helping you reach your health goals!

Who is noticing?

If it hasn't already happened... very soon your family, friends, and co-workers will start to notice the changes in how you look and your energy level! When someone shows interest in what you've been doing...would you do me a favor? Would you tell them about me and how your health coach would love to assist them to where they want to be in their health too.

How To Share:

The next time someone asks you, "Hey, are you losing weight?" , I want to make sure you know what to do!

- **Connecting Them to Me:**
 - ♦ Ask if you can give their information to me.
 - ♦ Let them know that I will give them a call to do a Health Assessment to see if this program is a good fit for them.
 - ♦ Or...you can just give them my information.
- **What to Say:**
 - ♦ I am working with a FREE Health Coach
 - ♦ My health coach would love to assist you to your health goals!
 - ♦ I eat six times a day and drink lots of water.
 - ♦ Then tell them about your increased energy and other benefits you are experiencing.

Your Reward:

I value your referrals to me and would like to give you something to show my appreciation! When your family member or friend decides to become a Client and goes on the 5 & 1 Program:

- **I Will Put a \$25 Thank You Credit on Your Account**
 - ♦ This will automatically apply to your next order.
 - ♦ When you refer 2-3 clients a month
 - ✓ This gives you \$50 - \$75 off your order that month!
- **Your Friends and Family Will Get Healthy**
 - ♦ ...And you will have created an amazing support system!

The greatest compliment you could give me would be to refer your friends and family to me!

Or You Could Be Their Health Coach!

- **Rewarding**
 - ♦ Give HOPE to the ones you love
 - ♦ Fill a Financial need in your life...
- **Learn More**
 - ♦ Please let me know if you would like to explore the opportunity we have available.

If you have any questions on the referral program or need anything, I'm just an email or phone call away! My passion is your optimal health and building a community of like minded people around you for your continued support and health.
